

Caban

Our mission at Caban is to provide a dynamic hub in the heart of our community, working with partners to improve the quality of life for all. We place real emphasis on working with trusted, local suppliers. We choose ethically sourced, locally roasted coffee and are proud to work with our local traditional family butcher in Caernarfon. We are really lucky to have a kitchen garden that contributes fruit, herbs, tomatoes, garlic and greens, enabling us to create vibrant and seasonal food with a true local flavour.
